

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2404 - SB 2350

February 16, 2020

SUMMARY OF BILL: Expands the Qualified Work-Based Learning Grant Program (Program) to include students participating in a middle college program.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Public Chapter 991 of 2018 created the Program.
- Based on information provided by the Tennessee Higher Education Commission (THEC), the Program is currently not in operation due to a failed RFP bidding process in which no entities submitted to manage the Program. Therefore, the Program has incurred no expenditures.
- THEC is currently in the process of reverting the full balance of \$1,000,000 appropriated for the Program back to the General Fund.
- It is assumed the Program will not commence. However, if the Program does commence, the funding appropriated for the Program would be sufficient to fund any expenditures and no additional appropriations would be required.
